

Sisters of Charity Saint Anne

Zaragoza, October 2, 2023

**Fervent hearts, feet on the way.
(Cf. Lk 24, 13-35)**

Dear Sisters, Communities, Pastoral and Missionary Animation Agents and all of you who make the journey, dreaming of new **paths**.

From the mission of the Church, Evangelize, and as a Congregation we assume that it is Jesus himself who invites us to set out and leave our spaces of comfort, to approach everyone, especially those who do not know the Good News of the love of God.

The month of October presents us with important events in our journey in faith, such as the First Session of the XVI Ordinary General Assembly of the Synod of Bishops, from the 4th to the 29th. Also on the 4th, the Time of Creation will close with the presentation of the Apostolic Exhortation "Laudate Deum".

SUNDAY, OCTOBER 22 **WORLD MISSIONS DAY**

**“Hearts on fire, feet on the
way”**

This year's motto reminds us that only the encounter with the Risen Lord illuminates our lives and sets our hearts on fire.

From our personal encounter with Christ who opens our eyes and moves us to action, we set out on the road carrying the Gospel everywhere, preparing our

Hearts that burn when hearing the word.

Open eyes that look and recognize.

Feet opening paths to meet the other.

BE CREATIVE and give content to this month of October through these or other proposals:

First week – REFLECTION.

Organize this week by viewing the video and materials prepared for this day, which I attach. Share it in your community or in your groups.

Second week – PRAYER.

Prepare a space for prayer by doing the Salz Experience, remembering Father Juan Bonal in his personal encounter with the Word that made his heart burn and illuminated his life.

Third week – SOLIDARITY AND CHARITY.

Make a gesture of solidarity as a Community, as a group in which you share something with someone who needs it, which by doing it in the name of Christ is already a Christian missionary act.

Fourth week – TESTIMONY

To bear fruit we must remain united to Him (Cf. John 15, 4-9), Let our life be our message.

Thank you all and let's continue making **the path** "let us go out with burning hearts, with our eyes open, our feet on the path, to ignite other hearts with the Word of God..." in this service in which our mission of Evangelizing with our lives is realized, **with our presence, caring for life** from our Santa Ana Charismatic Identity.

A hug
