

Day 3: 8th November, 2023

The first session of the day started at 9:00am, with a prayer guided by the Province of Mother Pabla, leading us to the chest of treasures of the history of our Congregation with the theme “In footprints of our history”, which was unraveled one by one.

The minutes of Day 2 was read. The correspondence of greetings and prayers of the Sisters were read to the assembly.

After the group discussion, tea break, and lunch, we assembled together for the plenary session on **Synodality** responding to the following questions;

Q. I. What do we see and think?

Q. II. What do we propose to do at the Community level?

Q. III. What do our Communities propose to do at the Provincial level?

The responses of these questions were thoroughly deliberated in the course of the sessions.

At 3:00pm we had Marian Devotion guided by the Province of Mother Pabla. It was a very inspiring prayer which helped us call on to Mother Mary as our dear Mother.

At 8:45 pm we dispersed for dinner.
