

**COMMUNICATION TO THE SISTERS OF THE  
CONGREGATION AND MEMBERS OF SAINT ANNE  
FAMILY  
31ST ORDINARY GENERAL CHAPTER**

**ZARAGOZA, 14 JULY 2025**

**We began the day with the Eucharistic celebration that invited us to listen to the voice of God in our lives.**

**In the Chapter hall, we were invited to reread the reflective journal where personal motions and reflections have been recorded. After watching a video entitled 'Crucify Him', we were left with the question: where are you in the chain (a series of scenes)?**

**This day was very special because we have been travelling through each province, each Community of the Congregation, following God's steps through each of the places where we are present.**

**Each of the Provincial Sisters allowed us to travel with them to the Communities of each of the Provinces. The order of presentation of each one was as follows:**

**Province of Our Lady of Pilar: Sr. Ana Felisa Pablo Bernal, Province of St. Anne: Sr. Gloria Martínez Bernal, Province of Juan Bonal: Sr. Gracelin Rose Mary Pillai, Province of Mother Pabla: Sr. Lucy Joseph Vadakedam, Province of St. Francis Xavier: Sr. Leena John Chirayath.**

**It had been an opportunity to give thanks for the richness we have as a Congregation, mainly due to the constant and heroic dedication of each Sister. In every Community, in every place, we perceive life, closeness, welcome and Charismatic presence, and this motivates us to hope. By contemplating our strengths, weaknesses and challenges, we should be encourage d to continue to be charitable towards the poorest and most needy. The presentation of Our Lady of Salz Delegation is still pending. Subsequently, the pending minutes were read for review and approval.**

**This is how the day's work ended.**

**With sisterly love,  
The Chapter Sisters.**
